Dr Joshua Lederberg,
The Rockefeller University,
1230 York Avenue,
NEW YORK, NEW YORK 10021,
U.S.A.

Dear Josh,

I very much enjoyed my all too brief visit with you in December and hopefully we will meet again in our future involvement with the Celanese Corporation.

I found the visit to Celanese very stimulating, they are an interesting group of people and I hope that my experience in Pseudo-monas genetics can contribute to their programmes.

I enclose some recent reprints on our work which may be of interest to you.

With best wishes,

Sincerely,

Bruce Holloway
